

Liberty

Wasted so much time
By the girls and by the wine
Nothing can me satisfy

I have to much boots
in my home yes I..m a fool
I have to much boots in there

Hey Joe looking for the way tonight
I saw you, walking by the docks
Hey Joe looking for the way tonight
I saw you, playing with the rocks
Hey Joe

When I was young and see the flowers and trees
Liberty
I made a trip around the world in seven years
Liberty
If you spending your time like me you will find
Liberty Yeah oh Liberty yeah, Liberty yeah

Everyday the same all the people play a game
In thise fuck society

Happines at all and a pretty little doll
tells you what to do at home

Hey Joe...
